*So, Welcome and Enjoy
our Beautiful
and Sunny Crete!*

Why to buy property In Crete?

- Crete is at the southern end of Europe so its climate is one of the healthiest and warmest in Europe, as it is sunny for more than 300 days per year.
- Crete is one of the biggest islands in Europe including some of the most popular archaeological sites in Greece, beautiful sandy beaches with clean water, majestic mountain peaks, beautiful caves, picturesque fishing villages, nice cities and a lot of interesting places and sites that you may spend your time.
- The properties in Crete are cheaper, additionally the cost of living in Crete is 30-40% lower than in most northern European countries.
- Crete is one of the safest places in Europe as it has a very low crime rate. Moreover Crete provides one of the best healthcare in Europe.
- Crete provides an easy access to most of the countries through the 2 international airports and 4 ports.

Stone built villas project by Exadas Real Estate

An exclusive project for 3 detached luxury built villas of 2 bedrooms at the traditional village of Exantis, a quiet and rural place popular for its green, also the location is only 2 kms from the beach and the seaside villages Bali and Panormo.

The villas are situated in a natural setting with olive trees and excellent views. Each villa consists of an open plan kitchen - living room, 1 or 2 bathrooms, storage area, big verandas around the house and 2 bedrooms.

The villas are constructed with white local stone in order to blend with surroundings.
